## Wanted: Presenter(s) at Camp De Sales

*By: Malcolm G. Peters, Outreach Department*

Camp De Sales is a summer camp held every summer in the scenic countryside in Brooklyn, Michigan, about 100 miles west of Detroit. It includes the popular Family Learning Vacation covering various areas of Deafness, and is open to anyone interested.

Mike Depcik, a friendly Deaf man and a member of the Oblates of St. Francis de Sales, returns to direct three of the four family programs. He is a graduate of St. Rita's School for the Deaf and Gallaudet University. He is currently studying theology. Kid Black Fedio (Madonna

## Greg Hlibok is coming!

*by Bruce Peters*

On Thursday, February 26, Greg Hlibok, former president of the Gallaudet University student body and one of the four leaders who guided the Deaf President Now movement, will be here to lead ISD's celebration of the tenth anniversary of the movement.

Mr. Hlibok is scheduled to meet with the Administrative Team in the superintendent's office at 8:00, followed by a 9:00 presentation in the Elementary gym for that department. He will then host two meetings in KRC: Middle School at 10:30 and High School at 12:45.

We are extremely fortunate to have such an impressive, dynamic leader come to ISD to help us mark the anniversary of one of the greatest single episodes in Deaf history.

Teachers are reminded to discuss the Deaf President Now movement with their students before Mr. Hlibok arrives.

## Developing a positive self concept

*by Brad Ingrao, Educational Audiology Association Newsletter,  
Winter 1997*

Before Deaf and Hard of Hearing students can become advocates for themselves, we must assist them in developing a positive self concept. My adopted son is Deaf, and the following poem is one of my attempts to instill pride in him and allow him to "speak" his mind, his heart, and most of all, his soul.

### For my son

Look my child, and you shall see,  
All the things that you can be.

Open your eyes, free your mind,  
Leave the garbled words behind.

Your hands have the power to touch our souls,  
Without the need for volume controls.

The Hand and Eye, not Lip and Ear,  
Will make the world around you clear.

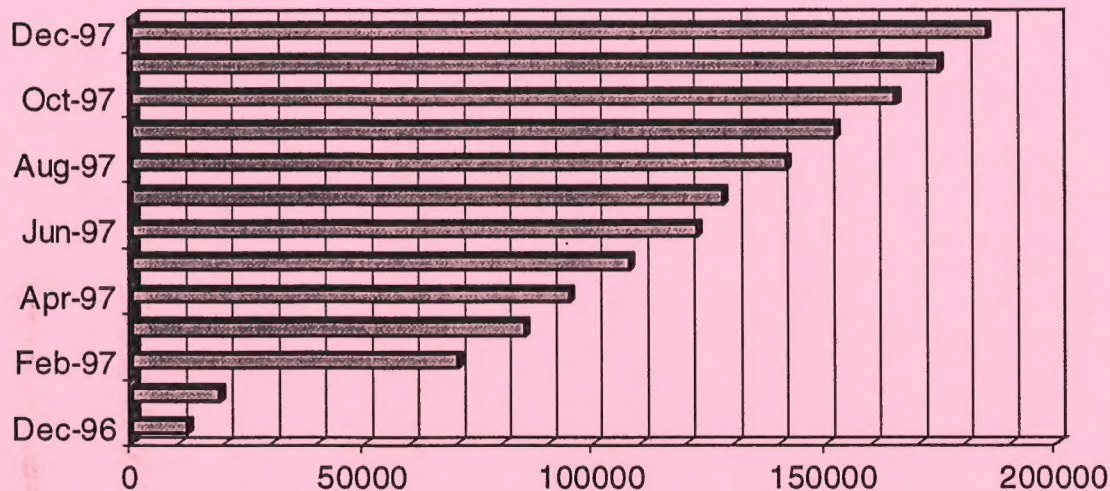

L'Eppe and Clerc and Gallaudet  
Knew which language on which to bet.

Sign fits your body like a glove,  
So you can see your parents' love.

You need not speak to prove your worth,  
For Sign was with you at your birth.  
So Sign my child, that we may see,  
The wonderful You  
That you will be.

## AT&T Learning Points

## AT&T Learning Points program offering spring bonus points!

*by Jim Frenchik*

For the past year I have been walking a fine line between preaching and begging for people who use AT&T as their long distance service to support ISD through the Learning Points program. But now I have a special reason for emphasizing that we beat the bushes for new supporters.

ISD will earn 350 bonus Learning Points for each new supporter who enrolls on the school's behalf during the months of March, April, and May. By taking advantage of this bonus period, we hope to not only boost our learning points account but to increase our base of supporters as well.

So make an extra effort to ask all of your friends, relatives, and neighbors who use AT&T to PLEASE call 1/800-354-8800 and provide ISD's school number - 01894163 - so that we can earn extra points.

Let me offer some suggestions for drumming up support. In addition to asking all of the people that you know personally, you could ask your spouse to put a notice on a bulletin board at his (or her) workplace. You could also contact the person responsible for putting out your church's bulletin or your neighborhood association's newsletter to include a plea for support. Make sure to remind them that it costs nothing to join and they do not have to do anything other than make that one phone call to register.

Supporters can also register by visiting the program's website at [www.att.com/learningnetwork/](http://www.att.com/learningnetwork/)

# Volleyball news

*by Donna Stutler*

During the Christmas break, Shannricca Appleton and Jessica Schmidt went to a four-day training session to improve their volleyball skills. Those four days were focused on skill building. Both girls enjoyed their experience with other girls from around the Indianapolis area.

Jessica decided to continue building her skills by joining the Circle City Volleyball Club. This club is based out of Capital Sports Center, which is located on State Road 135 and Epler Avenue. Jessica practices on Tuesday and Sunday evenings from 8-10:00 p.m. She also has tournaments around the state once per month.

To help pay for the expense of her participation, Jessica is selling chocolate candy bars for \$1 each. During the month of March she will be collecting orders for pizzas. This will help defray her costs also.

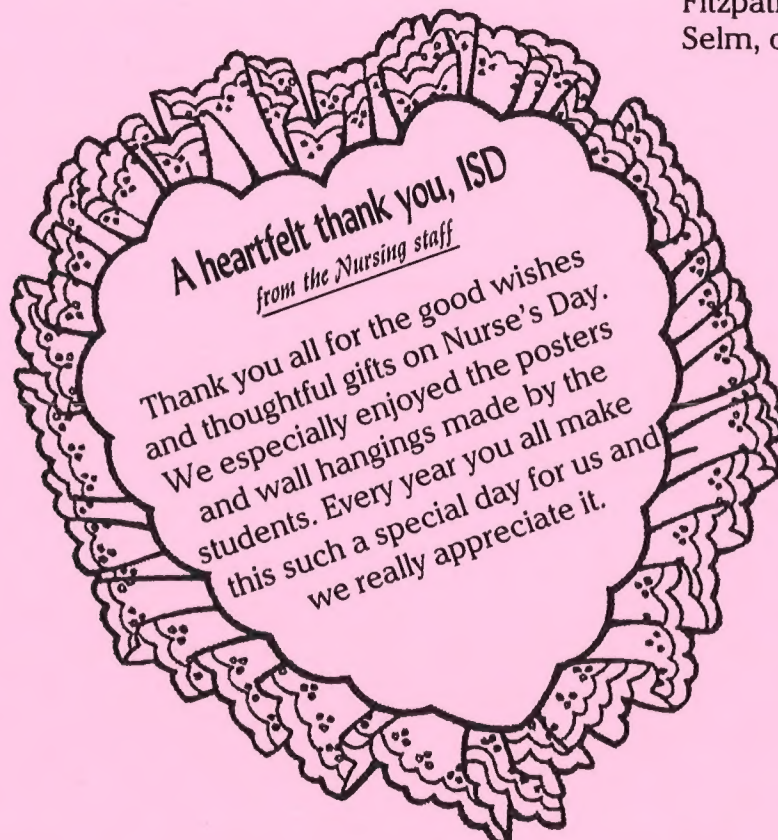

When you see Jessica, please take the time to acknowledge her hard work and determination. She is the only Deaf participant in the league, which has over 800 girls from the greater Indianapolis area. Lori Kiel, school occupational therapist, and Donna Stutler are serving as communication facilitators for all of her practices and tournaments.

## CSSD Track volunteers needed

*by Brian Bippus*

On Saturday, May 2, ISD will be hosting the CSSD track tournament with Illinois, Michigan, Ohio, and Wisconsin. Our boys speedsters are seeking to repeat their 1997 National Championship season, and our girls tracksters are vying for national recognition. Our boys and girls won the 1997 CSSD tournament in Ohio and have set their sights on another twin victory!

The ISD Athletic Department needs plenty of volunteers to help out with CSSD Track. If you are interested, please contact Brian Bippus at 920-6321 or inform any of the High School track coaches: Phil Dall, Dan Fitzpatrick, Mike McGeath, Di Selm, or Kim Van Zuilen.
